

Business license chair Trustee Nicole Benson started the Resident Economic Development Advisory Committee along with co-chair Kevin Mc Grier and Judy Marino on June 13th 2012. Our committee is made up of resident volunteers with a passion to advance and see Broadview transform.

“Our focus is to attract a variety of viable and profitable businesses, home owners and visitors to our community. To enhance the existing business community and encourage redevelopment and new development in an effort to increase property tax and sales tax revenue, income, job base and overall economic health for our village. Lastly, we would like to establish a means of communication to residents regarding economic development.”

Keeping in line with our focus, you will find a survey the advisory committee put together. Please take the time to express your opinion about our community as it is very important to hear from all. Please bring those surveys to the Building department during the day or you can go on Broadview-il.gov and click Economic Development Questionnaire and hit submit once you are done.

If you would like to attend these meetings or become a part, please visit the village website for upcoming dates. July 25, 2012 at 6:30pm in the village chambers is the next Meeting. If you have any questions regarding the committee or the questionnaire, please feel free to contact Trustee Nicole Benson at questions@broadview-il.gov or call 708-681-3600.
